

Ladies and Gentlemen

We are happy to inform you about our new KEMMER ONLINE SHOP, which is available from now on easing the contact to us and making our relation rather direct.

Under

www.shop.kemmer.de

you have access to our shop 24 hrs a day / 365 days a year.

Take your time and browse through our web shop and get an overview on our program of drills and routers.

A highlight is surely our „Special Sales“. You will find products to very favourable conditions.

We would be delighted about your feedback and your orders and we are at your disposal for further questions and ideas.

Your personal access data can be obtained any time under:
